Many of our visitors like to bring their dogs or other pets onsite with them. Most Snug Harbor staff own pets as well. However, in the past, there have been problems, most noise related, which we can not allow. We make every effort to assure that Snug Harbor is a safe, quiet and peaceful place for everyone. Unfortunately, some pet owners have shown they do not always respect the rights or needs of others. Due to the aggressive behavior of Pit bulls, we do NOT accept pitt bull or pitt bull mix on-site at this park. Any known aggressive dog of any breed may not be brought on-site, to assure the safety of all persons on-site. In addition, Snug Harbor welcomes pets only if the owners have read and signed the special pet rules agreement below, agree to pay the posted fee per pet, per night, or for lease term, and in the case of Snuggle Inn rentals, pre-pay the posted pet cleaning fee.

In addition, it is agreed as follows:

1. Dogs must be on a leash, except when swimming with their owners or on a boat with their owners, or inside the RV of the owner. Dogs must be in the control of its owner at all times, even when swimming or on a boat. Dogs found to be repeatedly off leash and wandering in the park will be asked to leave park along with the pet owner, and dog will not be allowed back on-site, with no refunds for site or cabin reservations, or lease. Person who made the reservation is responsible for the actions of guests brought on-site, including the pet of guests. For leaseholders, leaseholder dog(s ) found repeatedly off leash will be banned from the park for the remainder of the lease term. Initial     \_\_\_\_\_
2. Dog owner MUST pick up after the pet has gone for a "walk". No one wants to step in your pets' business!! Dog owner agrees to pay \$25 pick up fee if there are repeated complaints of pet leaving droppings in other sites or locations in the park. Initial     \_\_\_\_\_
3. Dogs that make excessive noise must be removed from the park by their owners at the request of park personnel. We will first advise the dog owner by verbal notice that the dog is barking to much. If the pet noise is not immediately contained, we will have to then ask that the dog be taken home/off-site or to a kennel, at the expense of the pet owner. We must enforce this rule so that Snug Harbor remains a peaceful place for both pet owners and non-pet owners alike.
4. *Pet owners agree that they will not bring aggressive dogs to the park.* If we receive complaints of aggressive dogs, we will ask the dog to be taken home or brought to a kennel at the pet owner's expense. By bringing a dog or other pet on-site to Snug Harbor, pet owner certifies that the pet has never been known to bite or attack anyone, that pet is current on all required shots, and that pet owner takes full responsibility and full liability for all actions or damages caused by the pet, including injury to humans or other animals. If we have to ask the pet owner to take the pet away from the park, there will be no refund of any reservations or leases paid. In addition, dog owner is advised we will report any aggressive dog incidents to Solano County Animal Control, and such report will include the name of the pet owner or person who registered with Snug Harbor on check-in, and the license plates of any vehicles associated with that pet/ registration. Because of past experiences with certain aggressive breeds, we do NOT accept **Pit Bulls** or **any aggressive dogs** in this facility. Non-aggressive dogs and other pets are welcome here.

5. Dog owner agrees to not leave the pet unattended at their RV site, rental cabin or boat. In the past, some of our patrons would leave their dog(s) at their campsite while they go out boating, and the dogs barked the entire time. We've also had to rescue dogs leashed to trees or posts who were sitting out in the sun all day, without water. Unattended dogs will be required to be removed from the park, at the expense of the owner. If you can't keep your pet with you at all times, please plan to leave him/her at home while you're visiting Snug Harbor, or make other pet boarding arrangements.

6. Pets ARE NOT allowed in Snuggle Inns, except the designated "Pet" Snuggle Inns. Persons reserving Snuggle Inns are required to pay a \$500-\$1000 security deposit which helps to assure pets will not be let into Snuggle Inns not designated for them. We are strict about this rule because some of our other visitors may be allergic to pet hairs, and would have difficulty staying in a Snuggle Inn that has pet dander anywhere in it. In addition, there is an automatic *extra* pet cleaning fee for any Snuggle Inn housing a pet, as we will be required to specially treat the unit after the pet leaves, to assure there is no pet dander or fleas left behind. Pet cleaning fee posted in the office, and is paid with the reservation of a Snuggle Inn. When you make a reservation, you must confirm you are bringing a pet so the correct unit will be used. NO pets allowed in or near our larger Snuggle Inns #1,2, or 3, and also not allowed in Snuggle Inns #4, 9, 10, 11. For these cottages, the dogs are not allowed to be on the deck outside the doors, even if owner says the dog will "stay outside". Irresponsible pet owners of the past have taught us to be strict about this issue. Maximum of 2 pets in loft, bunk or studio units that allow pets, unless arranged otherwise.

7. We have Pet Owners sign this "responsible for pet" agreement stating they are responsible for their pets' actions. This agreement has become necessary due to recent court cases regarding dogs and their owners' responsibility. If we have to take action to enforce the pet policy, such as giving verbal warning more than once to a pet owner, we will have the option to ask whole group with repeat offending pet to leave the park, with no refund due. To assure compliance, starting 2021, Leaseholders will be required to pay a \$150 pet security fee, which is fully refundable at end of lease if there have been no issues or complaints regarding pet stay onsite.

Again, we all love the pets at Snug Harbor, but must assure, to the best of our ability, the safe and quiet enjoyment of Snug Harbor by all our patrons. The pet rules are designed to assure we will have responsible pet owners and controlled, quiet pets only at Snug Harbor, so **you** can enjoy your stay too! If you have any questions, please call the office at (916)775-1455.

I, \_\_\_\_\_, the responsible pet owner of above named pet(s), agree to abide by the park rules including the above pet rules.
