California Water Plan

For the PRD, chapters were prepared using MS Word, and all tables, figures, and boxes cited in the text are placed at the end of each chapter. The California Water Plan (CWP) Publications Team will make additional refinements to grammar, formatting, graphics, and page layout for the Final Draft of Update 2013. Therefore, we ask reviewers to focus comments on the CWP content — what should be kept, changed, or added — and less so on wordsmithing or document format. Thank you.
