

## Snug harbor Resorts, LLC—Resort Rules

Welcome to Snug harbor. For the safety, security, and enjoyment of all our patrons, the following rules and regulations are enforced to maintain a family-friendly, clean and peaceful resort. **You are responsible for informing the guests you brought with you to also follow the park rules. Your cooperation is greatly appreciated.**

**GO SLOW** Drive 5 MPH along Snug harbor Drive and in the park. When on the water remember it's a "NO WAKE" zone all along Snug Harbor peninsula. Do not create any Wake in Snug Cove or on Steamboat Slough by Snug Harbor. The "NO WAKE" zone applies shore-to-shore in this area of Steamboat Slough.

**SECURITY GATES:** Security gate remains closed most of the time; however staff has the gate phone with them. Late arrivals must notify office in advance of anticipated arrival time, so we can issue a gate code for the weekend. Use Call Button (#) on gate keypad to contact Security. Do NOT ring the gate after 10:00 PM, except in cases of emergency!

### GENERAL RESORT RULES

1. **No unscheduled guests are allowed.** Your confirmation paperwork defines the number of persons and vehicles you have paid for. If additional persons are found to be onsite, you and your guest will be asked to leave the resort, no refunds or exchanges due. Additional fees may be due as well. We have a strict guest limit per each site and cabin because overuse of septic systems can have a DRASTIC negative effect on all of us!
2. Check-in-time after 3:00pm. Check out by Noon. Half day fee applies to all early or late arrivals IF site or cabin is available. Hanging out at resort before or after is not allowed due to limited vehicle, trailer and boat parking space.
