

Lease application questions: We ask that the following questions be completed by the person or persons who wish to lease a site at the resort, so that we can best determine which type of lease agreement to provide after credit clearance, and to assign a site that best fits the pending leaseholder's needs.

1. Have you stayed at the resort before and if so, describe when and with who:

2. Please describe your RV, such as the type of RV, length, number of slide outs, and condition including age of RV:

3. How often do you plan to visit onsite to use the RV? I.E. are you looking for a vacation use setting or a live onsite setting?

4. How many people do you want to include in the lease agreement? Please name the people and their relationship to you. Note that the owner of the RV is the one who must be applying for the lease, so confirm the name of the owner of the RV and then the additional persons to be added to the lease:

5. Do you plan to use the RV for business purposes? If so, describe the business and confirm you will not be using the resort address to receive any mail or licenses:

6. Do you own your own home or rent a residence, and if so please provide address and state how long you have been at that residence:

7. Generally, the person who owns the RV is the primary responsible person for the lease. If you wish to make a different arrangement, please describe the situation. Note that the RV must be able to be moved quickly off site in case of emergency, so please describe your vehicle or who would be moving the RV off site in case of emergency:

8. Do you plan to pay for site lease based on annual or semi-annual basis, or do you wish to arrange for bi-monthly billing (i.e. pay every 2 months)?

9. Do you expect there will be family or friends that will want to visit you onsite on a regular basis? If so, please describe your expectation:

10. Do you have any questions for us or terms you would like to see in the lease agreement? If so please describe in detail below:
