***Last minute reservations are those made when onsite or within 24 hours of arrival date shown for original reservation. Increased rates are intended to cover the extra administration and staff expense incurred by Snug Harbor Resorts, LLC from customer failure to plan ahead or communicate changes in writing in advance, per the original rental agreement. SHR retains the right to refuse to provide the requested additional services if it would cause too many people on a specific site, or too many people onsite overall. Last minute cost applies to daily/weekly reservations and leaseholder changes as well. Requests for "Day Use" will be treated as if the person or use will be onsite for the entire reservation time, including visitors who stop by "for a few hours".
