

# Who controls California newspapers in 2010?

Between 2009-2010 at least half of California's newspapers go through **bankruptcies/reorganization** with the end result that the lenders own a majority of the shares: Bank of America, B&L Gates Foundation (or Microsoft), Meryl Lynch, Chase Morgan are major creditors/lenders according to bankruptcy court documents and online news articles. Village Voice Media is also in litigation.

## (1) Top 10 for USA (2) Top 10 for California (3) California Print Media as of 2010 Don't Drain the Delta!

This list was compiled using news articles and other resources found online. Circulation is estimated based on the media reports of previous year. TYPE: D=Daily W=Weekly C=City Guides O=Online only. "Transition" means paper was purchased in specified year. **In RED: "Bankruptcy"** means paper was or is undergoing Bankruptcy process in 2009-2010, according to online reports.

Disclaimer: Newspaper circulation totals were compiled from statements on the newspaper websites and compared to other online media summary sites. Information regarding bankruptcy proceedings was found online through the Delaware Bankruptcy court, and from online news articles chronicling the noted events. The purpose of this media review is to help the reader understand WHY so much false information regarding the Sacramento Delta region has been propagated by the media in support of revisions to the Delta. Save the Delta ... save California's heritage! Don't Drain the Delta!
